

United States Department of State

Washington, D.C. 20520

MAY 23

Dear Mr. Speaker:

Pursuant to Sections 36(c) of the Arms Export Control Act, I am transmitting herewith certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense services and technical data for the manufacture of propeller parts and components for various maritime patrol and transport aircraft manufactured by France and sold to third countries.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Michael E. Guest  
Acting Assistant Secretary  
Legislative Affairs

Transmittal No. DTC 040-01

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
